Take care of *you*

The UC Cancer Institute Breast Cancer Center invites you to a reception celebrating National Breast Reconstruction Awareness Day in honor of all the strong and passionate women that have endured breast cancer diagnoses. All women deserve to know their breast reconstruction options to help close the loop on breast cancer.

Come to be entered into the free gift basket giveaway and to talk to breast cancer and reconstruction focused support groups.

Complimentary valet parking available.

RSVP: kelly.hummel@uc.edu or 513-558-2030.
